

FOR IMMEDIATE RELEASE

**Sublime Solution Inc. announces Gold Level Partnership with Acronis, leader in Disaster Recovery and System Migration for Hydrogenous Platforms**

*Sublime Solution announces gold partner status with Acronis, the Premier Disk Imaging and Bare Metal Restore Solution For Windows and Linux Servers.*

**Manchester, NH., March 17, 2009** – Sublime Solution Inc. a global reseller specializing in virtualization solutions, today announced the gold level partnership with Acronis, a world leader in providing advanced, scalable storage management and disaster recovery software that helps enterprises safeguard their information. The gold partner status is a result of the continued commitment Sublime Solution has demonstrated to Acronis and the sale of their product suite.

Acronis True Image, the company's flagship product, is a leading commercial disk-imaging and bare-metal restore solution for Windows and Linux servers. Acronis True Image Echo enables users to backup and restore both physical and virtual servers. It operates seamlessly with all Windows and Linux-based servers or desktops, whether they are physical or virtual and also supports major virtualization operating systems.

"Sublime Solution is excited to have achieved the Gold Partner status with Acronis. In an economic downturn the Acronis products have proved to still be a priority and a must have solution, therefore we have identified the Acronis products to be a focal point for us moving forward in 2009." Stated Jason Schuerhoff, Director of Sales for Sublime Solution.

Sublime Solution will continue to offer the full Acronis product Suite including, all the Acronis True Image Echo products, Acronis Recovery for MS SQL Server, Acronis Snap Deploy, Acronis Disk Director, and Acronis Recovery for MS Exchange.

"Sublime Solutions has been an Acronis partner since June, 2008. Their Acronis product knowledge and expertise in the disaster recovery and virtualization market has made them an Acronis go-to partner in complex deployments faced by customers across all industry segments. We are proud to announce the promotion of Sublime Solution to our premier Gold Partner status and we look forward to further enhancing our partnership through mutual support."
