

FOR IMMEDIATE RELEASE

Sublime Solution Announces the Launch of Sublime Online Backup Vault; an Online Backup Solution for Continuous Data Protection for Home Users and Small Business

Sublime Solution to offer Online Backup service to business and home consumers ensuring complete business continuity program for customers with minimal financial investment.

Manchester, NH., July 28, 2009 – Sublime Solution Inc. a global reseller specializing in virtualization and business continuity solutions, today announced launch of the Sublime Online Backup Vault. Sublime Online Backup Vault is an affordable, multi-faceted approach to data security. Through Sublime Online Backup Vault your data is always protected against unpredictable hardware failure, theft, or natural disaster.

Sublime Online Backup Vault easily allows you to backup files, folders, client or servers infrastructures to our network of backup servers and then access and share those files anywhere in the world by simply using your standard web browser, and logging into the Sublime Online Backup secure Log-in.

Sublime Online Backup Vault offers a complete online backup solution with advanced features that set it apart from the competition:

- **Enterprise Support**
- **Local & Offsite Storage**
- **Policy Administration**
- **Hot database backup**
- **Redundant Offsite Managed Storage**
- **Remote Wipe**
- **Private Labeling**
- **Two Person Authentication**
- **Smartphone Protection**
- **Continuous data protection**
- **Silent/Headless Agent Backup**

Affordability of the Sublime Online Backup Vault along with world-class technology makes this backup solution the choice of over 1000 businesses worldwide. Backing up your companies most critical data isn't an option, it's a must have solution. "93% of all

companies that experience “significant data loss” are out of business within five years.” States the US BUREAU OF LABOR. Learn more about Sublime Online Backup Vault by visiting us at, <https://onlinebackupvault.sublimesolution.net/>.
