### **Sublime Solution Partners to Create a Procurement and Purchasing Division to Best Serve our Clients**

#### *A New Division of Sublime Solution Unveiled to Provide Broad Spectrum of resources and technical Expertise*

**Manchester, NH., June 28, 2010** Sublime Solution, a services company realizes that IT is a highly valued asset to all businesses and that our valued customers rely on technology to provide a competitive advantage in their industry. To be successful as a business, IT must have a clear vision and a realistic plan that is aligned with corporate goals and the ability to execute those plans and manage them effectively. This requires a consistent and methodical approach to IT projects and services, and Sublime Solution has a simple model that enables businesses to be effective. In an effort to increase our efficiencies and focus on our core offerings, Sublime Solution has partnered to create a procurement and purchasing division to best serve our clients. This new entity is Sublime Procurement Group. (SPG)

As a new division and extension of Sublime Solution, SPG will provide an even broader spectrum of resources and technical experts trained in the finer details vendor-specific equipment and complex configurations. If you have a purchasing requirement related to a specific project, you can leverage SPG to ensure that you are getting the best prices available. We provide a full purchasing and procurement team to quote, purchase, and track your hardware and software shipments as well as fulfill your day-to-day needs. In addition to hardware/software our team can help with all licensing programs and management of your renewals and special pricing contracts. Whether it is a small purchase or a large rollout your SPG team has the presales expertise and systems in place to find you the correct items, on time delivery, at the lowest costs.

Sublime Solution is excited about the additional level of expertise, knowledge, and resources that SPG will bring to our relationship with current and future customers. Sublime Solution is committed to an efficient purchasing process and continued high levels of customer service.
